Reno Photo Club Meeting Time & Place

Dates: 1st and 3rd Wednesdays and the last Fridays of each month, except July, August and December.

Time: 7:30pm - 9:00pm

Place: Classic Residence, 3201 Plumas (North off Moana)

Parking is somewhat limited, so we ask that RPC members and guests park in the lot toward the back of the property.

For further information, please call 323-6615

The Reno Photo Club is a member club of the Photographic Society of America.

Digital Work Shop

Workshop on how to photograph "Water Drops" May 30th.

We'll meet in the arts and craft room for the water drop workshop. Bring your camera, tripod, flash, cable release, and camera manual.

Any questions give me a call, 673-5234.
See ya there, Tim

Winnie Roast, Pot Luck and Photos! / June 27th

Rancho San Rafael at 7:00pm!

I'll bring the hot dogs, we just need the extras! Call me so I can get a list of what everyone can bring. We'll keep it simple, just finger foods. We'll wander the park for photo opts until we had enough.

Any questions give me a call, 673-5234.
Tim

Slide Show from the collection of
PHILIP S. COWGILL

JUNE 4, 2008

Join us for a rare night to view slides from former member and cofounder of Reno Photo Club, Phil S. Cowgill.

Many of his sides were taken in the Reno area in the 50's and 60's and will be of interest to anyone who will recognize the changes over the past years.

I will present 10 carousels of 30 slides and will show as many as I can in the time allowed.

Digital Before & After Program - May 7th!

This is an opportunity for club members to show what they can do with an image in the computer. Show what you started with and what the final result is after spending minutes or days on the computer.

Anything from a simple crop to multiple layers and anything in between. Hopefully, we'll see some great images and maybe we'll all come away with new ideas about what can be done in the computer to create outstanding images.

-Up to 8 images for each participant (each set of before/after counts as one image)

-Image size to be limited to 1024 pixels on the widest side, with file size limited to 200kb. Jpeg format. If you combine parts of more than one image, you can have up to 3 "before" images in a set, but please limit file size of multiple "before" images to 100kb each.

-Please name the files with your initials and number them in increasing order of preference, with no 8 as your favorite image, in case we have to reduce the number of images per person. For example, I would name my least favorite "before" image mch1a and the matching "after" image mch1b.

-Be prepared to briefly discuss what you did to achieve the final result. Discussion should be limited to around 30 seconds for each image. That way, 80 images would take a little over 40 minutes to present.

-Deadline for getting your images to me is the May slide night, 4/25/08. They can be submitted on a CD or by email to m.horsley@sbcglobal.net. If you give me a CD, please put your name on it and it will be returned to you.

-Thank you for your participation.
- Mike Horsley -

Exhibit at Classic Residence

We have an ongoing exhibit until the end of summer. Any one interested in showing their work is asked to bring a framed, ready to hang photo to Fran Cox at any of our meetings.

The walls are looking bare, lets fill them up!

Member Gallery

The "Members Gallery" on the club webpage is our exhibition for the world to see.

We are looking for images from more members to illustrate the high quality work of our club. According to the 'web logs' the gallery is one of the most viewed areas of our website.

Three (3) images from each member for the gallery should be given to Orrin Edwards at any future meeting on CD, DVD, Zip100, Zip250, or Floppy media.

Your disks will be returned at a future meeting.

The size of the long side of the actual image must be at least 600 pixels. Borders will be trimmed so that only the image will be on the web page. Most any larger size can be submitted, but images with the long side in the 600 to 1000 pixel range will be the easiest to work with and will probably fit on a floppy. The images will be resized to fit into the webpage format.

The file format can be JPEG, PCX, PSD, PSP, PNG, TGA, or TIFF.

-Thank you for your participation.
- Orrin Edwards -
