Slide Show from the collection of  
**PHILIP S. COWGILL**

JUNE 4, 2008

Join us for a rare night to view slides from former member and cofounder of Reno Photo Club, Phil S. Cowgill.

Many of his sides were taken in the Reno area in the late 40's through early 60's and will be of interest to anyone who will recognize the changes over the past years.

I will present 10 carousels of 30 slides and will show as many as I can in the time allowed.
