Nature Night – Field Trip information from

Charles Kiene

**Photography quote:**

“Photography is a way of feeling, of touching, of loving. What you have caught on film is captured forever. It remembers little things, long after you have forgotten everything.”

— Aaron Siskind

**Nature Night**  
February 23, 2017 - 6:30 to 9 pm

Join six talented local photographers and movie makers for a celebration of nature. Carl Adams, Jerry Fenwick, Carol Grenier, Michael Horsley, Patrick Pevey, and Tim Torell create inspiring images of birds and animals. See their best work and join them in discussions of technique.

This event is pure entertainment. There's no admission charge and nothing will be sold. Don't miss it.
